•It is possible to attend one lecture in the morning and one in the afternoon. (One student can attend two classes.)

## 【Lecture Flow】

- The TOKYO ENGLISH CHANNEL secretariat will inform the detail of an event and the URL for participation later.
- One section will take 90 minutes. There will be two sets of lectures, group discussions, and presentations in one section.
- All six schools will follow the above flow.
- Please participate by using Microsoft Teams. And please participate from personal device. (One device per one participant)
