北一女中111學年度第2學期高一高二英文作文比賽題目

高一組題目

Imagine that you've been given the opportunity to invent a new product that would make the world a better place. Describe the product and its benefits in detail, including how it would work and who it would help. What inspired you to create this product, and what impact do you hope it will have on the world?

如果妳有機會發明一項新產品來讓這個世界更美好,妳會想發明什麼?文分兩段,第一段請說明妳想發明的產品,並清楚描述它,以及它會如何發揮其作用,和能幫助到的對象。第二段說明妳想發明此產品的動機,和妳認為它對世界將帶來的改變。

高二組題目

Recently, the AI chatbot ChatGPT has taken the world by storm. It can conduct conversations, explain difficult concepts, or even write creative essays for its users. In your opinion, what are the potential benefits and drawbacks of using artificial intelligence (AI) in our lives?
